Intended Use Definitions

Non-Commercial	Use that will not result in financial gain to an individual or organization. Examples include: • Personal research or viewing, e.g., including an image in your unpublished research or printing an image for display in a private residence. • Educational purposes, e.g., classroom instruction or student papers, with credit to the Sun Prairie Historical Library & Museum. • Use by a 501(c)3 non-profit organization, e.g., for marketing purposes, with credit to the Sun Prairie Historical Library & Museum. • Display for educational or decorative purposes in publicly accessible locations such as stores, restaurants, and other for-profit and non-profit establishments, with credit to the Sun Prairie Historical Library & Museum. While not prohibited, sharing an image by email, on a website, or on social media is discouraged because of potential download and misuse by others. If you share an image electronically within the parameters of non-commercial use, you are expected to cite the Sun Prairie Historical Library & Museum as the source of the image.
Commercial	Use for financial gain by an individual or organization. Examples of commercial use may include, but are not limited to, use in print or electronic publications, use in marketing by a for-profit business, and use in the production of merchandise. All commercial uses must credit the Sun Prairie Historical Library & Museum. Fees will depend on the nature of use.

Conditions of Use

Permission to use an image reproduction from the Sun Prairie Historical Library & Museum (SPHLM) is granted only when this document is signed by the applicant and countersigned by an authorized representative of SPHLM. Permission is limited to the applicant, is non-transferable, and is only for the intended use identified above. This permission is non-exclusive and SPHLM reserves the right to reproduce the image(s) and grant permission for others to do so. SPHLM reserves the right to limit reproduction of images and impose such conditions as is required by donor agreement or law, or if original material is too fragile for reproduction.

Non-Commercial Use

When you purchase an image reproduction from the Sun Prairie Historical Library & Museum for non-commercial use:

1. You accept all legal responsibility for questions of copyright, literary rights or invasion of privacy that may arise from making use of the image.
2. You agree not to sell, publish, reproduce, broadcast, or redistribute the image in any format without first obtaining written permission from SPHLM, or allow others to do so.
3. You agree not to produce prints other than for personal use.
4. You agree to credit SPHLM and identify the image with:
Sun Prairie Historical Library & Museum # [Object ID].
5. You agree to pay all costs in advance of receiving the image.

Commercial Use

The purchase of an image reproduction from SPHLM does not constitute permission to use it for commercial purposes. SPHLM does not own the copyright to most images in its collections, but grants permission as the owner of the materials. Permissions and fees for commercial use of image reproductions are determined by the Fee Schedule set by the Museum Board. Permission to use an image reproduction beyond non-commercial use may be granted at the discretion of SPHLM if the following conditions are met:

1. You acknowledge that permission is necessary for commercial use of an image reproduction. Permission fees are charged on a per image, per use basis and are in addition to the cost of an image.
2. Permission is granted for one-time, one-project use only. In granting permission for commercial use, SPHLM does not surrender its own rights to use or allow others to use an image.
3. You agree to pay the permission fees before using an image.
4. You agree to credit SPHLM and identify the image with:
Sun Prairie Historical Library & Museum # [Object ID].
5. You agree to request permission from SPHLM before altering an image beyond standard cropping and resizing, including editing or colorizing the image. The credit line must note the alteration.
6. You acknowledge that it is your responsibility to obtain consent from the copyright owner for use of any image with a copyright restriction. SPHLM assumes no responsibility for infraction of copyright laws, invasion of privacy, or any other improper or illegal use that may arise from reproduction of any images. SPHLM encourages you to consult with legal counsel to understand the implications of use of copyrighted material.
7. In all instances you agree to hold SPHLM and its agents harmless against any and all claims arising or resulting from the use of this image and shall indemnify and defend SPHLM and its agents for any and all costs and damages arising or resulting from any such unauthorized use.
8. If requested, you will donate a complimentary copy of the published work to SPHLM.
9. You will inform any employees, agents, contractors, or volunteers you share the image with of these Conditions, and ensure that they uphold the Conditions.
